

Surviving Debt

NCLC's most popular book, a classic in its field, *Surviving Debt* provides precise, practical, and hard-hitting advice on how to deal with an overwhelming debt load.

We have made the digital edition of *Surviving Debt* free to all during the COVID-19 crisis.

"A gold mine on topics like how to handle collectors, which debts to pay first, and how collection lawsuits work." — *U.S. News & World Report*

"Outstanding manual ... seldom is such useful, authoritative information available for so small a price!" — *Booklist, the Magazine of the American Library Assn.*

An important work, extremely useful and practical for individuals in financial distress. This is a much needed book for our times." — *Hon. Marilyn Morgan, United States Bankruptcy Judge*

The best book available for consumers in financial trouble." — *Stephen Brobeck, Executive Director, Consumer Federation of America*
