

Legal Services Corp.

The Legal Services Corporation (LSC) is a federally funded program that supports free legal services programs in all corners of all 50 states. Civil legal aid ensures fairness for all in the justice system regardless of income. It provides access to legal help to keep homes out of foreclosure, protect Social Security funds needed to buy food, assist veterans with problems after discharge from service, help students manage their debt, and stop abusers from stalking victims of domestic violence, to name a few. Rural areas, in particular, rely very heavily, if not exclusively, on civil legal aid programs.
