Special Events Sponsorship

Women's Networking Suite

Price per Sponsor

\$1,000

Group Goal

\$10,000

The Women's Networking Suite has grown and changed over the years, each time striving to create a welcoming and open environment. In 2018 the sponsors of the event chose to modify the one-time breakfast by creating an all-day suite where collaboration and networking could happen at any time. Should you wish to contribute to this event, please know that all who co-sponsor are actively engaged in decision making! Contributions to this fund cover food and beverages in the all-day suite.

Opening Plenary Plenaries

\$7,500

\$5,000

Plenary sessions occur several times during the conference and are crafted in such a way that the subject matter is engaging and informative for all attendees. The opening plenary usually features a high profile speaker with subsequent plenaries covering a wide range of topics relevant and interesting to consumer attorneys. We do encourage co-sponsoring for plenary sessions as well, if those arrangements are better suited to your firm's needs.

Advocates of Color Luncheon

\$500-\$1,000/each

\$5,000

The Advocates of Color Luncheon has become a tradition at CRLCs these last 5 years. Providing a space for meaningful conversation, this luncheon always takes place on the second day of the conference. Advocates are encouraged to discuss triumphs and challenges while getting to know one another better. Contributions to this fund cover food and beverages for the lunch.

SOLD OUT Legal Services Reception

\$5,000

Open to all Legal Aid Attorneys.

First Timer's Breakfast

\$1,000

\$5,000

This unique breakfast is the one time when first timers and seasoned veterans of the CRLC are gathered and engaged in thoughtful ways to ensure newbies have the support and knowledge needed to best navigate the coming days. Contributions to this fund cover the breakfast and support the breakfast organizer with their give-aways.
