

Protecting Your Bank Account from Unauthorized and Recurring Payments

The constant news about data breaches and scams targeting seniors has left people worried about their rights if an unauthorized charge is taken out of their account. Consumers also face problems when a gym, unwanted membership club or payday lender will not stop debiting the account. This webinar will cover consumers rights to challenge unauthorized payments and to stop recurring payments.

Speaker: **Lauren Saunders** (Associate Director, National Consumer Law Center)

Additional sponsorship for this Webinar is provided by a grant from the Administration for Community Living. This webinar is part of a series of National Elder Rights Training Project/Elder Abuse Prevention webinars for the National Legal Resource Center.
