

The National Legal Resource Center: Resources, Training, and Technical Assistance to Help Older Clients

The National Legal Resource Center: Resources, Training, and Technical Assistance to Help Older Clients Facing “High Impact” Legal Issues

Administration for Community Living National Legal Resource Center (NLRC), in collaboration with the U.S. Department of Justice, will present a webinar for legal and aging service providers. This webinar will provide an overview of the NLRC and its partner organizations and focus on how professionals and advocates in law and aging can gain easy access to a wide range of resource support, expert consultation, training, and technical assistance on high impact” legal issues confronting older persons with the greatest social or economic need. A senior counsel from the Department of Justices Access to Justice Initiative will review some of the most common consumer protection issues impacting older adults and the federal resources available to assist older clients.
